ROCKLAND FLOORING: The village board held discussion regarding the November 30, 2021 meeting that was held with Dan Smithburg, Site Manager and Monte Wingert, Maintenance Engineer of Rockland Flooring. It was discussed at the November 30th meeting that the village of Rockland would take samples from the Rockland Flooring lift station to Davy Laboratories in La Crosse. Dan and Monte with Rockland Flooring were in agreement with the village that taking samples would be fine since the WWTP is getting something that is causing Rockland to receive several non-compliance letters from the DNR. Randy Rowell motioned and Corey Wilson seconded to have the village attorney draft a letter to Rockland Flooring stating that we need them to disconnect from our sewer system until they can become compliant. Bob Rueckheim abstained from voting. Motion carried.

The village contacted their attorney, Kathryn Schmidt to draft a letter to Rockland Flooring about the situation and to let them know the village would need them to disconnect from discharging into our sewer system for no less than 30 days. The letter was drafted and hand delivered to Monte and Dan at Rockland Flooring on Wednesday, January 12th. The letter states that Rockland Flooring will need to disconnect by January 21st.

ADJOURNMENT: Corey Wilson motioned and Randy Rowell seconded to adjourn. Motion carried. Meeting adjourned at 6:58 p.m.

Respectfully submitted,

Stephanie Rowell
Village Clerk
