

**RESOLUTION # 2020-03**

**TO REDUCE THE NUMBER OF ELECTION OFFICIALS REQUIRED PER ELECTION TO NO FEWER THAN THREE.**

**WHEREAS**, the Wisconsin State Statute 7.32 allows a municipal governing body to reduce the required number of election officials at a polling place from 5 in a municipality where voting machines are used to no less than 3, and the Village Board has determined that it would be advantageous to the Village to have only as many election officials on duty as are needed for a given election.

**WHEREAS**, there shall be a minimum of 3 election officials on duty at every election. At the discretion of the Village Clerk, the requisite number of election officials may be increased for any election. However, the number of election officials working at a given election shall always be an odd number, not including greeters or other election volunteers who are not working as officials.

**NOW, THEREFORE, BE IT RESOLVED**, that the Village of Rockland, hereby adopts the resolution to reduce the number of election officials required per election to no fewer than 3.
